WORK EXPERIENCE

Field Operator (Full-time Collaborator) 09/2026 - Present

VINAMR Marketing Research & Consultants

- **Data Quality Control (QC):** Perform rigorous quality checks on post-survey questionnaires for logical consistency, data accuracy, and relevance prior to data structuring and analysis.
- **Project & Quota Execution:** Plan project workflows, allocate resources, and track sample quotas across assigned studies to ensure on-time, within-budget delivery; proactively troubleshoot field delays.

Content Editor (Part-time) 03/2026 – Present

Academic Journal "The Practicum: From Vision to Action"

- **Report & Content Standardization:** Compile and copyedit research manuscripts, ensuring linguistic precision, formatting consistency, and clarity across all published articles.
- **Stakeholder Coordination:** Collaborate with the advisory board and academic council to curate thematic research topics and execute communication initiatives to expand community reach.

Research & Data Analysis Mentor (Freelance) 01/2026 - Present

Quantitative Research Support

- **Quantitative Analysis:** Apply advanced statistical modeling and Machine Learning algorithms to analyze complex datasets and deliver impactful data visualizations.
- **Methodology & Insight Consultation:** Advise undergraduate and Master's students on research design frameworks, troubleshooting methodological challenges and guiding data interpretation.

Marketing Research & Analytics Intern 06/2025 – 08/2025

Fastlance Vietnam

- **Market Research:** Designed surveys, collected, and processed raw data for the "Star Freelancer" project and "Vietnam Freelance Market Report" into concise findings.
- **Competitive Analysis:** Executed primary and secondary research to track market movements, constructing a Competitor Analysis Matrix and Baseline Performance Report.
- **User Analytics:** Tracked user journeys and campaign ROI via the Marketing Analytics Dashboard, translating behavioral data into actionable insights.

Social Media Marketing Executive 01/2024 – 06/2024

Truong Hai – Hankhungsat Co., Ltd.

- **Digital Operations:** Managed content operations and performance tracking for the corporate fanpage and website (Hankhungsat.com).
- **Client Relations:** Assessed customer needs across digital channels to propose product solutions and resolve inquiries
